*ENGLISH CONVERSATIONAL USAGES.*

In England, letters there are posted, not mailed; periodicals are taken in, not taken; a friend on a visit stops, but does not stay; you order something to be fetched, not brought; you ride on horseback only, never in a carriage; footmen men are clever, not smart; a high wind is a storm; not a fall of rain; meadows are uplands, never bogs or swamps; cooked meat may be under-done, never rare. Lady-day, midsummer day, Michaelmas and Christmas are the times when all quarterly rents are due, never March 31st, June 30th, and September 30th, and December 31st; it is the rental of a house you pay, not the rent; autumn is the late season of the year, not fall; hedges, shrubs and trees are quick, not alive; and you ask that two or more things may be done at once (at one time), and not necessarily instantly. Cocks and hens, rams and ewes, bulls and cows, stallions, mares, and geldings, jacks and jennies, bucks and roes, dogs and sluts, still retain their Saxon names, and it is at no time offensive to use them. And women of good blood and gentle breeding in common with the other sex, have ankles and calves, knees and legs, and do not blush to speak of them.—*Lippincott's Magazine.*

What the Ettrick shepherd said of his dog Hector is now going the rounds: "It is a gude sign of a dowg, sir," said Hogg," when his face grows like his master's. Hector got sae like me, afore he died, that I remember, when I was owre lazy to gang till the kirk, I used to send him to tak my place in the pew, and the minister never kent the difference. Indeed he ance asked me next day what I thocht o' the sermon; for he saw me wonderful attentive among a rather sleepy congregation. Hector and me gied ane another sic a look, that I was feared Mr. Paton wud hae observed it; but he was a simple, primitive, unsuspectin' auld man—a very Nathaniel without guile, and jealoused nothing; though baith Hector and me was like to split, and the dowg, after lauchin' in his sleeve for mair nor a hundred yards, could staun't nae langer, but was obliged to loup awre owre a hedge into a potawio held, pretending he scented game.

The following gem from the writings of Dickens has of late been going the rounds of the press. It was beautiful before; the world's bereavement of last Thursday evening makes it sadly appropriate now:

"There is nothing—no, nothing—beautiful and good that dies and is forgotten. An infant, a prattling child, dying in its cradle, will live again in the better thoughts of those who loved it, and play its part, though its body be burned to ashes or buried in the deepest sea. There is not an angel added to the hosts of heaven but does its blessed work on earth in those who loved it here. Dead! Oh if the good deeds of human creatures could be traced to their source, how beautiful would even death appear! for how much charity, mercy and purified affection would be seen to have their growth in dusty graves!"

A SPECIMEN OF HYALEIGH.—A Western political stump-speaker demolishes his opponent in this wise:

Build a worm fence around winter's supply of summer weather; skim the clouds from the sky with a teaspoon; break a hurricane to a harness; ground sluice an earthquake; bake bull in an ice house; lasso an avalanche; put a disper on the crater of an active volcano; hive all the stars in a nail keg; hang the ocean on a grape vine to dry put the sky to soak in a gourd; fix buckle the belt of eternity; and paste "To Let" on the sun and moon; but never for a moment sir, delude yourself with the idea that any ticket of your party can beat ours.

A MISSISSIPPI SENATOR GALLANTS A COLORED DAMSEL.—Sometime recently, at Jackson, Mississippi, quite a sensation was created in the House of Representatives. Senator Morgan (white) escorted Miss Highgate (colored) to a seat on the floor, and remained an hour, the observed of all observers. He then escorted her out, took a carriage and drove off for an evening drive. The members made many significant gestures, audible remarks, and other signs of disapproval. Several ladies, wives of Republicans, manifested their emphatic protest by leaving the hall at once. Others remained, but looked as unhappy as a fish out of water.

HAS HE FONOGITTA?—One of the points of the Cuban message to which Gen Grant has signed his name, is that the Cubans "are busy in carrying devastation over fertile regions." They are also condemned by him for "the wanton destruction of material wealth."

Does the President remember the orders he gave to Sheridan in 1864, to devastate the Shenandoah Valley? We presume the fact has passed from his mind. If he had not forgotten he could never have been seduced into signing this Spanish message. —*N. Y. Sun (Radical).*

The Japanese babies must be the dearest little creatures in the world. Japanese women work in the rice and cotton fields all day with their babies strapped to their backs, and the little creatures never cry. They sleep sweetly with their heads wagging to and fro with the movements of the mother, and bound so tight that they cannot move a limb. Not unfrequently a mother has a bag on her back (strapped on), in which is a child, yet, encumbered in this way, these women do their full share of work with the men and never complain. This, it strikes us, is a thorough exemplification of the true rights of women.

The Heirs of Stephen A. Douglass are attempting to recover possession of the "Douglas tract" in Chicago, now distributed among several owners, valued at $1,200,000. Some flaw in the conveyance is relied upon to accomplish their purpose; and the property owners have united to oppose the claim. Robert, the eldest son of the celebrated Senator, is the principal plaintiff.

The National Anti Secret Society, in session at Cincinnati, have adopted resolutions denouncing secret societies, especially Free Masons, charging that they ignore the Christian religion, that they are essentially immoral, injurious to the social family, and of heathen origin, and that they pray to unknown Gods, etc., How do they know?

## AT HOME AGAIN.

After ten days pleasant sojourn in the eastern part of the State we are at home again.

We had been told that there was great apathy among the people of the East in regard to the political condition of the country and that they had pretty well despaired of the Republic, and were well nigh ready to surrender the ship of State into the hands of the unskilled and uneducated Africans.

We determined to see for ourself how this was, and accordingly visited Currituck, Camden, Pasquotank and Perquimons, making speeches in all but the latter.

The last election returns may show that the people were somewhat inactive and not very hopeful of success, but this spirit of despondency and inactivity is clean gone.

In Currituck we were told by those most likely to be well informed on the subject, that at least two hundred Conservatives who registered did not vote in the last election, and that there were at least fifty in the county who did not register.

In Camden one hundred failed to vote who registered, and thirty failed to register. In Pasquotank the numbers were about the same as in Camden.

In Perquimons at least one half the Conservatives failed to vote. A gentleman from Edenton informed us that Gates and Chowan did very little better than the four counties above named, in the last election. These six counties constitute the 1st Senatorial district, which elects two members.

The "masterly inactivity" which characterized the Conservatives of this district in the last election could be expected to result in nothing but defeat. If they will turn out in full force next August, they can redeem the district and send two Conservative Senators to the General Assembly.

That they *will* turn out to a man, is clearly indicated by the indignation and loathing with which they regard Holden and his corrupt administration, as manifested by expressions to be heard everywhere.

The dissension among the Radicals in this section is wide and bitter. The victory of John Page over Col. Moore is the cause of great rejoicing with both white and colored. The blacks regard it as a victory of black worth and merit over white arrogance, dictation, trickery and cunning.—The whites look upon it as a deserved punishment on one who has humiliated himself and forgotten what was due to his race and education by acting the hypocrite for the sake of office.

In Pasquotank the Radicals have a negro carpet bagger as candidate for Sheriff; this gives great dissatisfaction to most of the white Radicals. This fellow, Cardoza by name, is opposed by Dr. John, editor of the *North Carolinian*, a Radical paper, published at Elizabeth City, and also, by all the Northern settlers in the county, with one exception.

The whites do not relish the idea of a carpet bag negro Sheriff introducing himself into the houses of widows to lay off the dowers and year's allowances, and, by virtue of his office, put himself in daily intercourse with the white ladies and gentlemen of the county, and they are determined to prevent it at the ballot box.

Hon. C. L. Cobb is charged with putting Cardoza forward as candidate for Sheriff, lest he should be in his (Cobb's) way for Congress.

Our friends calculate certainly on carrying the district in August. The Radicals themselves begin to express doubts.

Sykes, the negro member of the House in the last General Assembly from Pasquotank, declined to run for the Senate, and, it is said, gave as a reason, that it was doubtful about the Republicans carrying the district.

We think we may safely write down the first Senatorial district as pretty sure for the Conservatives in August.

## THE MILITARY ASSEMBLING.

During our absence for the last ten days, we learn that Col. Kirk and Maj. Tatten have been to Raleigh in consultation with the Governor on military affairs; and that Kirk has been appointed to the command North Carolina State troops."

Jenkins, we learn, told the Governor that, if he appointed Kirk to a military command in the State, he could not carry twenty men for his administration in the mountains.

Now, we are of opinion that Kirk, without being an exceeding favorite, has about as much popularity in the mountains as the Governor has.

Kirk never calmly and deliberately placed Littlefield in a position to rob the people of the mountains, as the Governor has.

Kirk was not in a responsible official position and kept his mouth shut while Littlefield and Swepson were misapplying the funds intended to give the mountain people an outlet to market as the Governor did.

Major Tatten, we suppose, was here also for the purpose of hunting military service at the hands of the Governor. We have no doubt that His Excellency will, Lincoln like, fall on the right man after a while. Lincoln had to lay aside "fighting Joe Hooker," Meade and several others before he got Grant.

Holden has set aside Besher, Bill Huskey, Parrott and Toulou, and has, it seems, superceded Jones, Bryant and Clarke; now let him try Kird and Tatten, and then "we shall have peace."

## HOLDEN'S STATE TROOPS.

The troops proposed to be raised in this State by Gov. Holden, are unnecessary and unlawful.

They are not necessary to enforce the law. No honest, truthful man in the State believes that these troops are necessary to enforce the law or keep the peace. Every intelligent man believes that such troops in a time of peace, cannot but promote discord and evil.

Such troops are unlawful. Gov. Holden has no authority for raising them. No lawyer will justify his raising them under the present law. The Legislature made no appropriation of money to raise these troops and pay them. Where is the money to come from to pay them? The Public Treasurer will certainly pay no warrant for this purpose. His bondmen would hardly justify him in doing so. Where is the money to come from? Let the men who join this troop, either as officers or privates, inquire first how they are to be paid? What law there is for it, and where the money is to come from to pay them.

## "RALLY UNION MEN!"

We understand that Gov. Holden has certainly appointed the notorious Col. Kirk, of Tennessee, to raise a regiment of mounte men for the purpose of intimidating the voters in the mountains of North Carolina, at the approaching August election.

It is said that Kirk has had large posters printed at the *Standard* office, headed "Rally Union Men," to enlist one thousand men of the honest yeomanry of the mountains in his regiment. It won't do. Kirk is too well known in the mountains. The people of that section will not enlist under such a man. He is appointed Colonel of the 2d Regiment of State troops, headquarters at Asheville, N. C.

We warn honest men, good men of all parties to shun this shameful attempt to excite insurrection and war in North Carolina. The object is simply to prevent if possible the defeat of the Radical party and not to preserve peace.

## THE LIONS AROUSED.

Mayor Harrison, brother-in-law to the Governor, is said to have remarked to that functionary, last winter, that the white men of North Carolina were like caged lions; they did not know their strength; "if they did," said he, "they would beat you by thirty thousand votes."

We think they are being aroused, and that, in August next, the Governor, with the assistance of Kirk and Tatten, and all his Major Generals, Colonels and other military chieftains, including Horner, the latest creation of a military hero, will hardly be able to keep them longer in the cage.

If the Governor and his administration are not beaten by more than thirty thousand we shall be deceived.

Mr. Stone, of the Weldon *News*, is a very quiet man and a dear lover of peace, yet the Governor threatens to send a file of soldiers and have him arrested and put in Wake county jail. All this is done to frighten the lions and keep them quiet.

Shoffner's bill to suspend the writ of *habeas corpus*, did not pass, so, if Stone is arrested he is entitled to bail, and if he is imprisoned it should be in Halifax, not in Wake.

Go on, Governor; instead of quieting you are arousing the lions, as you will find when the August election comes.

## CHARLES McCLEESE.

In our recent trip to the Eastern counties, we heard of our old friend, Charles McCleese, who, in former days, stood by us, side by side, in our long fight with Rodman, Holden and Clingman, against secession.

Our old friend sent us a message inquiring the difference between a "Radical" and a "Republican;" as some of the Republicans in his section had made dire threats against any one who should apply to them the epithet of "Radical."

As we didn't have an opportunity of returning him a verbal answer, we take the method of answering him through the SENTINEL.

Our answer is this: We can see no difference between the two. The vote of each tends to the same end—the destruction of all good government and the oppression of the people.

A friend who was present on the reception of the message, suggested that a "Republican," in his stealings would leave a nest egg, the "Radical" went to the bottom and took all. One only tomahawks, the other tomahawks and scalps, too.

For the Sentinel.

Mr. EDITOR:—I see from a communication in the *Standard* that Samuel F. Phillips has been making a speech in our county, Alamance. I am sorry I was not present—for if that correspondent has not misrepresented him he will have good reason to pray for the future to be saved from all reporters.

What is the substance of it? Why, that FIFTEEN Democratic members of the last Legislature are responsible for all the extravagance, corruption, plundering, robbing and thieving, that has been going on in the State ever since the Radical party came into power. What a terrible set of fellows these *fifteen* men must have been. They beat the Ku Klux Klan all hollow. How pitiful such subterfuges! and for a man like Sam. Phillips, with the information and intelligence claimed for him by his friends, to resort to them, how contemptible!

Don't everybody know that Holden, who disgraces the office of Governor, is a Radical? Don't everybody know that nearly all the Supreme and Superior Court Judges, who disgrace the offices they hold, are Radicals? Don't everybody know that just about three to one of the members of the last Legislature were Radicals? And yet these FIFTEEN Democrats are more than a match for this whole Radical State government. They go ahead, plundering the people, robbing the Treasury, levying taxes, passing unconstitutional laws, ruining the credit of the State, and turning every thing upside down in spite of Holden, the Courts, the heads of departments and over one hundred Radical members of the Legislature. Again, I say, how contemptible. What does he mean? Is he a fool himself or does he take the people for fools?

The *Standard* correspondent intimates that Phillips was disappointed because he did not meet his friend Shoffner at Graham. Albert Murray, the Sheriff of Alamance county, is subject to the same disappointment every day of his life at not being able to lay his hands on that delectable, negro' boiling scoundrel. If his sympathetic soul was filled with anguish because he did not have the opportunity of taking by the hand his new found friend, T. M. Shoffner—the quintessence of all villainy and rascality—he ought to feel slightly compensated in being able to embrace a few of the Alamance Radicals who are still here—for some of them are nearly as mean as Shoffner himself. Poor Phillips! how low down he has gone in search of a petty office.

The people of this county will not vote for Sam Phillips—*mark my words*. The voters know who is responsible for squandering their money, high taxes, ruining the State credit, &c. They know that it is this Radical Holden administration—and they know that Phillips knows it. No, he must excuse us—we would rather vote for an original, lifelong, outspoken Radical at once than such new converts as Samuel F. Phillips and "Rotating Dick." Speaking of converts—is'nt it astonishing that you never hear of a conversion to Radicalism except it is some body who wants an office! Now, I can count twenty voters—men who never held an office in their lives nor never expect to—within one mile of where I am writing, who have heretofore voted the Radical ticket but who will never vote it again. This is the truth, if there is any dependendence to be put in men's repeated and solemn asservations. After listening a few hours to a Radical slang whanger, trying to prove that a dozen Democrats have done all the mischief, they go home and quietly compare their tax receipts.—Until these fifteen Democrats commenced laying taxes for the whole State, they paid $3 or $4—now they pay $10 or $12. This kind of argument does the work for everybody except two classes of persons—first, those who have no tax receipts to compare, and, second, those who want to be elected to some office—the Attorney Generalship, for instance.

How does "Rotating Dick" come on proving that the negro is a brute and has no soul? He ought to put *Ariel* in his carpet bag and "rotate" about over the State for the purpose of enlighting the colored people—for up this way, with the lights before them, they don't believe it. Wonder if his peculiar views upon this subject had anything to do with the marks of "*disapprobation*" manifested when his name was presented for Senator? Tell him not to be discouraged, as he may yet succeed in getting some little office at the hands of these soulless brutes! There are scores of ignorant scalawags now in office in North Carolina not much, if any better qualified than he is.

I am not done with these gentry—but must stop for the present. N. R.

## SENATORIAL DISTRICT CONVENTION.

At a meeting of the Conservative delegation, from the several counties composing the 43d Senatorial District, held at Franklin on the 10th of June, 1870, on motion of W. L. Norwood, Esq., John Ingram was called to the Chair, and W. N. Allman chosen Secretary.

On motion, a call of the counties was had, when the following delegates came forward and enrolled their names, to-wit:

*Cherokee*—Robt. McCombs, A. C. Walker and Samuel Sherrill.

*Clay*—O. Barnard and L. W. Mathison.

*Haywood*—W. L. Norwood, (proxy.)

*Jackson*—D. D. Davis, Col. W. H. Bryson and Wm. Buchanan.

*Macon*—Col. L. Howard, Col. W. Roane and A. Moore, Esq.

On motion of Mr. Norwood, it was agreed that the basis of voting in this Convention, shall be the vote given in the last Congressional election.

On motion of Mr. Mathison, after some debate on the part of Messrs. Norwood, Mathison and others, that the delegation from each county cast the vote of its county as a unit. It being announced that nominations are now in order, W. L. Norwood, proxy for the county of Haywood, nominated Hon. W. P. Welch, of Haywood, L. W. Mathison, Esq., nominated Hon. W. L. Love, present incumbent. The name of Capt. James W. Terrell, of Jackson, was announced to the Convention, whereupon the Convention proceeded to take the vote with the following result:

For W. L. Love:—Cherokee 866, Clay 389, Jackson 837, Macon 895. Total, 2,977.

For W. P. Welch:—Haywood 1,012.

On motion, a committee of three, consisting of Col. L. Howard, D. D. Davis and L. W. Mathison, were requested to inform Mr. Love of his nomination.

On motion of W. L. Norwood, the nomination of Mr. Love was made unanimous.

On motion, the Convention declared unanimously for the nominee of the Congressional District Convention, the Hon. Plato Durham.

Mr. Love appeared in the Convention, amid manifestations of approval and in a brief speech accepted the nomination, promising to use his best endeavors to relieve the people of the whole State to some extent, by a reduction of high salaries, fees, per diem, &c., and that his energy would be directed to the early completion of the W. N. C. Railroad.

Ordered that the proceedings of this Convention be sent to the Raleigh SENTINEL and Asheville *Citizen* for publication.

On motion the Convention adjourned.

## A MEETING OF THE CITIZENS OF LIBERTY TOWNSHIP, RANDOLPH COUNTY, N. C.

According to a resolution passed by the Conservative people of the county, in Asheboro', on 21st ult., was held at their Court House, on the 11th of June, 1870, for the purpose of transacting business relating to the affairs of the present campaign.

Mr. A. L. Troy was called to the chair and S. C. Fox and A. L. Crouse were appointed to act as Secretaries.

WHEREAS, our State government has been carried on and our laws executed by our present officers and rulers, in a most partial and corrupt manner; and

WHEREAS, our people have been impoverished by high taxation, occasioned by the creation of useless offices and the high salaries of our various officeholders and rulers; therefore, be it resolved by the people of Liberty township in convention assembled,

1st. That in all free governments, the offices are and ought to be created for the good of the people, and not for the good of the officeholders alone.

2nd. That to restore our government to its former prosperity we must have honest men of well known capacity for our officers and rulers.

YOUNG, HEALTHY, VIGOROUS AND CONDUCTED BY A WISE, PRUDENT, AND ECONOMICAL, BOARD OF DIRECTORS UPON A

NEW SYSTEM,

devised by its talented and distinguished Actuary CHAS. N. MORGAN, which must make it the leading Company in America, for persons in

MODERATE CIRCUMSTANCES,

and all who appreciate and demand the most UNQUESTIONABLE SECURITY, at rates in most cases, considerably lower than those of the leading Mutual Cash Companies.

The Excelsior issues Policies on all the plans of Mutual or Stock Companies, extending to policy holders all th ir really desirable advantages. Its policies being non-forfeiting, the insured are privileged to live and travel where they please in any healthy part of the world, they participate in its profits, are allowed 30 days grace for payment of renewal of premiums, a cash surrender value of policy, and a privilege which has never been offered by any other Company, that of converting Policies into

ANNUITY BONDS,

after the payment of 5 or more annual premiums.

Mr. Hilliard, I have been readier in the very popular Company which I had the honor to represent to Stock rules alone, which most of the Mutual, and mixed Companies have adopted. This disadvantage, together with the multiplication of many new characteristics in this state who claimed to possess unusual charms, together with the extraordinary attractions presented by the Excelsior induced me to accept the management of that Company, whose plan combines all the popular features of other Companies, represented in this State, without an exception, and the additional privilege of converting policies, which the holder can not afford to keep up, or wishes to discontinue, because of the death of those for whose benefit the policy was secured, into an Annuity Bond which provides an income to exist through life, or for a series of years as preferred.

Circulars giving full explanations and any other information, will be cheerfully furnished.

The most liberal arrangements will be made with first class solicitors, to push the Excelsior forward in the Old North State, to that position which her low rates and most ample security entitle her to occupy.

*SPEAKING AT DURHAMS.*

We are requested to announce that Hons. S. H. Rogers and R. B. Gilliam, the Conservative candidates for Congress for this District, will address the citizens of Orange, at Durhams, on Saturday the 16th of July next. Everybody is invited to attend.

Annual meeting of Stockholders in the N. C. Railroad company, at Hillsboro, July 14th.

Hams and Molasses, flour, coffee, sugar, Old Dominion nails, &c., Upchurch and Dodd.

CONVICTION OF KU KLUX.—The *Rev.* Allen Paisley, Oscar Albright and Dick Thompson, all colored, have been convicted at the present term of Alamance Superior Court, Judge Tourgee presiding, of *Ku Klux Klanning* several of their own color, among them another *Reverend*, and sent to the Penitentiary for six years each.

The evidence was so conclusive against them that they made no defense, but confessed to the charges in the indictment.

Paisley, it seems, was not only Captain of the colored Ku Klux about Graham, but also of another Company in the same county. They had, as they acknowledged, a complete outfit of disguises. When they went to a colored man's house and whipped him, they told him it was a law of the Ku Klux that, should he tell of it he would be hung by them.

We shall endeavor to get a full report of all their actions, as they were divulged at the trial.

Let it be remembered that the field of operations of these two lawless bands of colored Ku Klux, includes the section where Outlaw was hung, and where many other outrages have been committed—is it not reasonable to suppose that they were the authors of the crimes?

RENOMINATED.—DR. W. L. Love has been re-nominated unanimously, as candidate for the Senate in the 43rd Senatorial district.

The nominations for Macon county are as follows: For House of Representatives, J. L. Robinson; for Sheriff, J. M. Roan; for Register, Wm. Sloan; for Treasurer A. M. Dills; Surveyor, T. S. Siler; Coroner, R. R. Cook; for County Commissioners, J. B. Cunningham, W. M. Addington, Jno. Ingram, L. Howard and John Ammons.

Resolutions were adopted by the convention endorsing the address of the Conservative members of the Legislature, the course of the Democratic and Conservative members, and denouncing high salaries and Radicalism generally.

WATCHMAN SHOT.—Mr. Emory, watchman at the Raleigh and Gaston Depot, was shot, while on duty, on Monday night, by some unknown party. Hearing a noise under a freight car containing flour and other articles, he stooped down to look under, when some one fired a pistol, the ball entering his mouth, slightly cutting his tongue and knocking out three teeth, passing back near the left ear. Dr. Wm. Little was called to his assistance, but Mr. Emory, we learn, would not permit him to extract the ball, though near the surface, on account of the pain he was suffering.

No clue to the would-be murderer has been obtained.

LISTEN to another voice of commendation of the Brooklyn Life Insurance Company: By reference to the joint letter of the wife and mother of the late Dr. Elisha B. King, of High Point, addressed to Capt. A. W. Lawrence, the efficient General Agent in this city, it will be seen that the Brooklyn has just promptly paid another loss. The evidence accumulates, if any were wanting, of the fidelity and perfect reliability of this great company.

*SUPREME COURT TO DAY.*

The following are the only cases argued to-day:

G. F. Martin *vs.* Deep River Copper Mining Company, from Guilford. Ralph Gorrell for Plaintiff; Dillard, Phillips and Merrimon for Defendant.

Jonathan Harris *vs.* Joseph Davis, *et al.*, from Guilford; Ralph Gorrell for Plaintiff; L. M. & W. L. Scott for Defendants.

[We had concluded to report only the opinions of the Supreme Court, as delivered from time to time, but, as many of our friends desire to know what cases are called and argued, we will hereafter give a daily report of them.]

U. S. COURT.—The evidence in the case of Bennett was not concluded yesterday, on account of the indisposition of Judge Fowle, one of the counsel for the defense. It was concluded to-day, and the argument on the case opened by Mr. Starbuck for the prosecution. The argument will probably occupy the whole of to morrow. We will give a condensed report of the case when it is concluded.

J. HENRY DAVIS, late Conservative member of the House, from Carteret, has been nominated as one of the Senators from the district composed of the counties of Craven and Carteret.

For the Sentinel.

ASHEVILLE, N. C. June 18th, 1870.

MR. EDITOR:—Last night was one that will never be forgotten. Mr. James H. Merrimon the Conservative candidate for Senator of this district addressed the colored people at the Court House in this place upon the issues of the day.

It was indeed gratifying to see the audience of colored voters assembled, who have heretofore been prevented by designing radical politicians from attending Conservative meetings.

The speech of Mr. Merrimon, which occupied about one and a half hours in its delivery, was both eloquent and argumentative. He dwelt at great length upon the misrepresentations that were being made to the colored man relative to placing him again in bondage should the Conservative party prevail, and denounced the perpetrators of this falsehood in terms of merited contempt. Mr. Merrimon at the conclusion of his speech invited any Radical to reply and defied any one to controvert the statements he had made. Although there were a great many white Radicals present none would hazard their reputation by attempting to reply to an argument so unanswerable. A colored man by the name of Conley—known more familiarly by the significant name of "*John the Baptist*"—was induced to make a few remarks. It is needless to state that he was unable to alter the effect of the speech of Mr. M. and retired from the stand having accomplished nothing.

Mr. Ovide Dupre, being present, was loudly called for, and responded in his usual eloquent and logical style, reviewing the course of the Radical party and denouncing its guilty leaders—who under the garb of loyalty—have so long and so grossly deceived the colored man. Mr. D. closed by inviting all honest men who desired retrenchment and reform to sever their connection with a party who have ruined the credit of the State and brought her to the threshold of degradation.—The speaker was loudly applauded on retiring. The Radical convention meets today to nominate a candidate for Congress from this district. The nomination of A. H. Jones the present incumbent is conceded. You may rely upon Western N. C. in the coming election for a large majority in favor of the Conservative ticket. Mr. Merriman will certainly defeat Mr. Blythe.

In haste yours truly etc., etc.
"LYCURGUS."

*CONVENTION IN HARNETT COUNTY.*

June 18, 1870.

MR. JOSIAH TURNER, JR.—SIR:—I suppose you would like to hear from this section. On Saturday last this county held her convention which passed off harmoniously. On motion of C. H. Coffield, Esq., N. S. Stewart was unanimously declared to be the choice of Harnett for a seat in the House of Representatives of the next Legislature.

For Sheriff, J. R. Gradly.
Register of Deeds, James Sexton.
Treasurer, James G. Brown.
Commissioners, C. H. Coffield, Daniel M. McKay, William A. Johnson, J. A. Cameron and John Harrington.

The following resolutions were introduced by C. H. Coffield, and passed by a unanimous vote, mingled with the shouts of "hurrah for Turner."

*Resolved*, That we are opposed to levying one dollar of tax to pay the interest due upon the bonds issued by the State before the war, as the negro was the property upon which the burden of the tax was to rest, and that the negro is free and that we shall be free from the debt, and declare it would be wrong to sell the lands of poor men to pay the debt.

*Resolved*, That Josiah Turner, Jr. has done more for N. C. as a Journalist than all other papers in the State; that he has put more carpet baggers to flight, and from the sign of the times will have many more on the wing. So we say, lay on Josiah, we will stand by you and cause the last one to cry out in the language of Cain for the murder of his brother Abel, "oh, my punishment is greater than I can bear."

HARNETT.

*EXAMINATION AT EDGEWORTH.*

It was my privilege to attend the examination of nearly all the classes in the various branches of study prosecuted at Edgeworth during the past session. I was exceedingly gratified at what I saw and heard. The evidences of scholarship and thorough instruction in the teachers and study, of learning and of progress in the pupils were manifest and abundant. No one could witness the general quickness and accuracy with which the questions were answered, displaying the pupils' knowledge and mastery of the subject in hand without feeling that they had been under the training of teachers peculiarly competent and faithful. I never attended examinations more rigid, more fair and honest, more conclusive and satisfactory, as tests of knowledge and proficiency, than those I witnessed in Geography, Arithmetic, Algebra, Geometry, Latin, Physiology, Mental Science, &c., &c. I believe that in the above opinion, all who attended would concur, and the more intelligent and capable any one was of judging, the more decided and hearty would be his concurrence.

It is with peculiar confidence and satisfaction that I commend Edgeworth to parents and to our Southern people, as the school where the minds, the hearts and the manners of our girls are sure of a training and culture, at once sound, thorough and Christian.

HOUSE.—The morning hour was occupied with the consideration of private bills, a number of which passed.

In the case of Whittemore, Logan offered a resolution that the House do line to allow Whittemore to be sworn and direct his credentials to be returned to him.

Logan supported his resolution, contending that the House had a right to say that a man of infamous character should be excluded. Whittemore had committed an infamous crime and was disqualified in the eyes of Congress and the world.

Farnsworth opposed the resolution and at the close of his speech the resolution was adopted, yeas 131, nays 24.

The following members voted against the resolution and in favor of seating Whittemore:

Arnell, Ayer, Brooks, of Massachusetts, Butler of Massachusetts, Cessna, Cobb of N. C., Osborn, Kia, Farnsworth, Hoar, Jessie S. Kiley, Knapp, Maynard, Merrill of Maine, Newsham, Palfanda, Roots, Sawyer, Smith of Tennessee, Taft, Taylor, Twichell and Whittemore.

GENERAL AGENTS,
CHARLOTTE N. C.

THE EQUITABLE

*HAS BECOME THE LEADING COMPANY OF THE WORLD.*

Its New Business (sum assured), for the year 1869, exceeded that of the second company in rank by more than THIRTEEN MILLION DOLLARS.

In 1865 it was the 9th Company in new business for the year; in 1866 it was the 8th; in 1867 and 1868 the 7th; in 1869, the 4th; in 1867, the 3d; in 1868, the 2nd;

**In 1869 it was the FIRST.**

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" AFTER THEY ONCE BEGIN TO PAY THEM AT ALL; but they DO NOT BEGIN TO PAY until the settlement of the third, fourth, or fifth premium.

*One hundred Dollars* paid in dividends at the end of *one year*, and each year thereafter, equals FOUR HUNDRED AND THIRTY SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

Applications for Assurance may be made to any of the Society Agents throughout the country, or in person or by letter to the General Agents.

Gentlemen of character desirous of forming a connection with the Society as Agents are invited to communicate with its General Agents.

A NEW DISCOVERY!!

PHALON'S

"VITALIA;"

OR,

Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!!
OPEN TO THE LIGHT!!!

*For Restoring to Gray Hair its Original Color.*

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and cloudless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

☞ Phalon's Vitalia ☜

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

THE VITALIA is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

Has been honored with the Highest award in premiums and diplomas wherever entered for competition at fairs and exhibitions held during the past season,

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work.

Price if unexcelled, only for in the case of any other similar invention

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparatively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at Mrs. THOMPSON'S Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

Instructions in the use of the machine will be given to all purchasers gratis.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Smoke!—No more Grease!
No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1865.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivaled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

ROCKBRIDGE ALUM SPRINGS, VA.

Open May 15th, 1870.

THIS FAVORITE AND CELEBRATED Watering Place is now in complete order for the reception of guests. Important improvements have been added to the buildings since the establishment passed into the hands of the present proprietor, and it is his purpose to keep it in a style not surpassed anywhere in Virginia. The waters of these special springs either cure or greatly relieve most cases of Scrofula, Incipient Consumption, Chronic Bronchitis, Caronic Laryngitis, Chronic Pneumonia, Chronic Dyspepsia, Chronic Diarrhœa, Cyanthy. They are also a great value in those affections which are peculiar to the female constitution as an appetizer, a tonic and general restorative, they are, perhaps, unrivalled amongst mineral waters. The proprietor will have provided for the lawns and ballroom a first-class band of music, and in general all the sources of amusement and recreation usually found at our best summer resorts will be at the command of the guests at "ROCKBRIDGE ALUM." The place is within eleven to thirteen hours of Richmond, Washington, Baltimore, &c., by rail, all in daylight. Passengers leave the cars of the Chesapeake and Ohio Railroad at Goshen Depot, and new and elegant stage coaches, passing rapidly over a smooth and level road of only eight miles, set down the visitors at the Springs to tea.
